I would be glad to see the Indian Trusts act introduced — before we have the acts to introduction of which — can more appropriately be Chamber of Princes Act

Law 1/12/06

Trusts are comparatively rare in Mysore The Indian Trusts Act is I believe mainly a Codification of the Case law as evolved in the Courts of Equity Jurisdiction. There are only a few provisions of it which our Courts cannot apply to cases arising within their jurisdiction as a rule of "Equity and good Conscience" without a Regulation enacted for the purpose Among such provisions as require express enactment may be mentioned Sections 20 21, 33, 34, 65, 66, & 74 & 75

The matter of enacting this Regulation can well be allowed to remain in abeyance.

I am also of opinion that this may lie over for the present. I should like to see the Transfer of Property Act introduced

The next Act ~~proposed~~ shortly to see introduced is the Indian Mayors Act of 1925. The Municipalities now in force in Mysore are defective in many respects and should, I submit,
